

## Rental Property & Property Management Resources

Circa Properties, Inc. specializes in the SALE and PURCHASE of residential real estate. Occasionally, we will list a property for rent for seller clients, but we usually only have a handful of lease listings. To see available Circa rental property, visit [www.CircaSTL.com](http://www.CircaSTL.com) and go to our listings page. We do not offer services to help tenants locate a property for rent, but below are some resources that may help you in your search.
